Dense Fog Pall Slows Traffic

A fog-bound peninsula greeted a belated sun at noon Monday after a blanket of mist that would have done honor to London had lifted. The weather bureau reported that it was the densest fog in many years.

Hundreds of motorists on peninsula highways traveled at snail's pace as the fog obscured vision. The white void grounded planes at Mills Field and disrupted ferry service.

It was not a tule fog from the valley, the weather bureau said, but the result of the cold. Heavy moisture from recent rains condensed, it was explained.

The thermometer in Redwood City dropped to 30.

Doctor Found Dead In Car on Skyline

San Mateo County suffered more than its tragic share of holiday highway death and injury over the Christmas weekend, as one San Francisco woman was killed instantly in Millbrae, another San Francisco woman died from injuries incurred when she attempted to stop a 4-year-old boy from falling out of a car and nearly a dozen were injured, several seriously.

A third fatality was discovered Sunday when the car of Dr. Wilbur Swett, 70, well-known San Francisco physician, was found off Skyline boulevard near Sharp Park.

MILLBRAE VICTIM

Mrs. Ray R. Thode, 32, was the Millbrae victim. Her husband, 36, riding with his wife, is in Mills Memorial Hospital in San Mateo, suffering from a fractured jaw. The driver of the other car, Fred Buckley, 24, also of San Francisco, escaped with minor hurts.

The accident occurred late Christmas night on El Camino Real opposite the Bungalow cafe, the highway patrol reported. The cars crashed near the intersection.

RETA OSBORN HURT

Miss Reta Osborn, 219 Jeter street, secretary to Norman Menifee, Redwood City attorney, took and overdose of sleeping powders, then got into her car and drove up El Camino Real to Belmont, where she fell asleep, colliding with a telephone pole at the side of the highway.

This was the explanation given by authorities at Community Hospital, where Miss Osborn was taken early yesterday after Belmont police found her in the car, wrecked mysteriously.

MOTHER KILLED

Attempting to rescue 4-year-old Douglas Clinton, who opened the door of the car in which he was riding while it was still in motion, Mrs. Louise Bricker, 39, suffered a basal skull fracture and was taken to Community Hospital where she died a few hours later. The boy was not seriously injured, sustaining abrasions of the head. Both were from San Francisco.

Jerry O'Connell, 26, also of San Francisco, driver of the car told the highway patrol that they were driving along Bayshore highway near Friendly Acres late Sunday afternoon when the boy opened the door and fell out. Mrs. Bricker followed him, striking her head on the pavement.

In Redwood City, Mrs. H. K. Fultz, 53, 709 College avenue, Menlo Park, suffered a wrenched back Sunday afternoon when the car driven by her husband collided with another operated by Willard F. White, 1381 Cedar street, San Carlos. The collision occurred at Wellesley avenue and El Camino Real. Mrs. Fultz was taken home.

FOUR-CAR SMASHUP

Angelo Scilini, Redwood City storekeeper of 209 Marshall street, incurred minor injuries Saturday night when he was involved in a four-car smashup near Morgan Hill. Three other persons, R. H. Henwood, 42, and his wife, Edna, 30, their daughter, Shirley, 13, all of San Jose, were hurt.

Daly City police were on the lookout for the driver of a machine which struck Eric Wagner, 63, San Francisco, on Sunday when he was attempting to cross a street with his wife and daughter, Dolly. The latter two escaped being hit, but Wagner was treated at Villa Sanitarium for cuts, bruises and severe shock.

Only two minor accidents were reported during the week-end by Redwood City police.

Two persons were injured in a Christmas Eve two-car accident at El Camino Real and Junipero Serra, not reported until Monday at highway patrol offices. Helen Ashworth, 22, 30 North Claremont street, San Mateo, and Leona Barthley, 46, 1810 Palm avenue, also San Mateo, driver, were treated at Villa Sanitarium, Colma, for cuts and bruises. Operator of the other machine was Robert Silgel, San Francisco, who was not hurt.

ASSOCIATED PRESS SURVEY

Associated Press surveys tabulated 22 deaths, 19 of them traffic fatalities, two grade crossing deaths and one train mishap in Northern California's yuletide accidents.

San Francisco's fatality record reached a 10-year peak of 119, while five accidents Sunday raised the Los Angeles county total to 1014.

Violent death claimed at least 500 lives in the nation. While traffic accidents caused many times as many deaths as any other cause, week-end merry-making was cut short by other causes including gunfire, hanging, suffocation, burning, poisoning, drowning, a plane crash and fatal household incidents.

At least 14 men and women died in despair at their own hands. There were 30 homicides, 28 by shooting and 2 by stabbing.

Illinois led with 50 deaths. Wisconsin was low on the list with 6.

Hetch Hetchy Rate Cut Aids Redwood City

S.F. Board Adopts New Schedule By 10-1 Vote

Adoption of a new wholesale rate for Hetch Hetchy water yesterday by the San Francisco supervisors means saving of thousands of dollars annually to Redwood City and other peninsula communities buying part or all of their supplies from San Francisco, it was revealed Tuesday.

Extent of the saving and its reflection in domestic charges could not be determed here, but Mayor Paul McCarthy, after a conference with John J. Sharon, director of the bureau of accounts in the San Francisco Public Utilities Commission, greeted the new schedule as one vitally effecting this city.

MAYOR EXPLAINS

Mayor McCarthy explained that Redwood City uses about 2,000,000 cubic feet per month from Hetch Hetchy, supplemented by about 1,000,000 gallons from its own wells.

On the Hetch Hetchy supply, the city has paid a sliding scale which averaged about 18 cents per hundred after the first 333,300 cubic feet. All water used over that minimum will be charged at the rate of 10 cents per hundred, McCarthy revealed. This means a saving of about 45 per cent in amount Redwood City pays San Francisco each month, he estimated.

In view of the saving, Mayor McCarthy intimated here that the city may increase the amount of Hetch Hetchy water used to improve the quality. A portion of the money saved, he said, will be used for improvements and extensions to the water system, but he said it was probable that a portion of the saving would be reflected in retail rates.

SAVING ESTIMATED

Last year Redwood City paid San Francisco $46,672.30 for Hetch Hetchy water. A 45 per cent saving on this amount would be $19,202.53.

McCarthy said his figures were subject to correction when reviewed by City Manager C. L. Dimmitt, who is now on vacation.

The new wholesale water rate, adopted by 10 to 1 vote after weeks of argument is as follows:

Quantity	Rate Per 100 Cu. Ft.
First 3300 cu. ft.	25.9c
Next 30,000 cu. ft.	22.7c
Next 300,00 cu. ft.	18.0c
Over 333,300 cu. ft.	10.0c
Over 20,000,000 cu. ft.	6.5c

Stanley Kelly Defies Ouster; Stays on Job

Controller Stops Pay As New Row Is Threatened

Although Stanley Kelly said he was still on the job as county purchasing agent Monday, the county controller's office was just as sure that Kelly isn't going to be paid for any of the work he may be doing.

Kelly's duties as purchasing agent came legally to an end December 24, when an ordinance passed by the board of supervisors consolidating the offices of purchasing agent and county manager went into effect, both County Manager E. A. Rolison and Dep. County Controller George Filbert declared.

Questioned concerning Kelly's statement that he was still on the job and intended to remain there, Rolison answered:

"PAST HISTORY"

"It's past history as far as we are concerned. The ordinance went into effect. It's all up to the controller now."

Filbert said that Rolison has been signing new purchasing orders, in line with the task added to his office by virtue of the consolidation move which was adopted for the sake of "better economy and efficiency" by the board on November 23.

However, Filbert has received no new orders from Kelly, even if he still believes he is working for the county. "The last orders we've had in our office from Kelly were dated December 22, before the new law went into effect," Filbert disclosed.

KELLY TO STICK

Meanwhile, over on his side, Kelly remained just as determined as ever to hold onto his position. His attorney, John Manders, of Bullock & Manders, Redwood City, asserted that whatever moves Kelly may next make will depend upon the action of county authorities.

"We're waiting for the other side to try to do something—either refuse to pay, or anything else they may try—and then we'll act," Manders asserted.

Kelly's only comment was said with an assured smile:

"Well, I'm still here."

The situation was further complicated by the unofficial sentiments of the board which expressed its desire that Kelly be paid through the last of the year if possible, even though he was no longer technically a county employe.

However, to do that would be illegal, Filbert asserted, since he holds no job now.

Filbert indicated county paychecks might be given out December 31, although not due until January 1, a holiday. "Then we'll find out who's who," he said.

New York's Catskill mountains are about the same altitude as the Highlands of Scotland.

BURLINGAME COUPLE RENEW FIESTA RACING OPPOSITION

Although Mr. and Mrs. Samuel Knight of Burlingame, leaders of opposition to the horse racing at the county floral fiesta, were reported at a recent supervisors' meeting as being "satisfied with the commission's program" contemplating 14 days of races, they renewed their opposition this week.

Under the signature of Knight, San Francisco attorney, a letter to The Tribune declared, "I wish to state categorically that neither my wife nor myself agreed to the program of the fiesta commission . . . and I emphatically stated to Mr. Gibson (fiesta commission head) that we were opposed to an additional 14 days' racing in San Mateo county and were thoroughly in sympathy with the protests that were being filed with the racing board against that program."

On December 21 the board of supervisors did not take action on the Knight's letter because of advice from Supervisor Fred E. Beer that the Knights had been contacted by the commission and were "satisfied with the program."

Supervisor Beer said today that this was the information given him by Bruce Gibson of San Mateo, president of the fiesta commission.

Gibson, queried on the apparent contradiction which Beer laid to a "misunderstanding," refused any comment on the matter and was openly vexed at what he termed newspapers' "unwillingness" to understand the issues involved.

The question of whether the county will be allowed to hold the horse racing has been referred to the racing board. The board originally scheduled to meet early in January, has now deferred its session until February.

San Francisco Sues For Airport Lands

Acquisition of 90 acres of tideland property along San Francisco Bay near Mills Field was the object of a suit filed in superior court at Redwood City by the City of San Francisco today against several owners of the property which is desired for use as deep water facilities at the airport.

Named in the complaint in eminent domain were the Burlingame Oyster Company, Hebard P. Smith and the Westvaco Chlorine Products Company. The appeal asks that the court set the price in condemnation proceedings.

A ton of sugar will yield approximately 100 pounds of raw sugar and three gallons of rum.

Redwood City Sets Record

An increase of nearly 20 per cent in postal receipts during December as a result of the Christmas rush was reported Tues. by Postmaster R. E. O'Connell Jr., reflecting the general optimistic tone of business in Redwood City and on the peninsula.

December's figure through December 24 totaled $8,756.95, a brisk $1,451.08 ahead of 1936's $7,305.87 at the same date. Since last year's sum was the highest ever recorded here, 1937 has broken all records.

The figure for the year now stands at $68,000.09, a full $3,423.29 ahead of 1936's comparative total, also a record-setter.

The receipts compared favorably with increases noted in Burlingame and San Mateo for the 24-day period. In Burlingame, Postmaster J. V. Gaffey said that $29,321.26 had been reached, as compared with $26,537.29 in 1936. San Mateo added up $25,108.25, a net gain of $2691.84, Postmaster J. H. Kelley stated.

O'Connell said that interviews he had had with local merchants showed their business had risen in most cases in proportion with postal receipts, reflecting the general trend toward higher retail sales this year, as shown in a Tribune survey made Christmas eve.

CITIZEN-
TAXPAYER

Pays $8,371,000
in City, County and District Taxes

Pacific Gas and Electric Company will pay $8,371,000 in local taxes upon its properties for the fiscal year 1937-38. Payment to cities and counties of first installments, aggregating more than $5,500,000, has just been completed.

The Company is the largest taxpayer in California; and the largest also in twenty-five counties served by our lines. In some counties we pay from 50 to 60 per cent of the total taxes collected.

In addition to property and franchise taxes levied by cities, counties and districts, we pay a state corporation franchise tax of $334,000, a tax for the state unemployment fund amounting to $440,000, a sales tax aggregating $402,000 and motor vehicle license and gasoline taxes of about $97,000.

Then there are federal taxes—taxes on income, on sales of electricity for domestic and commercial purposes, on capital stock, on bond interest and for the Social Security fund, all of which bring the grand total of the Company's tax appropriations for 1937 to more than $15,000,000. This is 15 per cent of our entire annual income—$41,000 per day or $1,700 every hour of every day.

Death Takes Woman On Christmas Day

Mrs. Eva Adam, for nearly 45 years a resident of Redwood City, was found dead in her bed at her Middlefield road home Saturday. She had succumbed to a long illness. She was 67, and a native of Germany.

Mrs. Adam was one of the first members of the local Congregational Church. She was the widow of the late August Adam and mother of the late Mrs. Augusta K. Awbrey.

Surviving her are a daughter, Mrs. Margaret Kruse; two sons, Rudolph W. and Frank J. Adam, and seven grandchildren, Kenneth R. and Shirley Mae Adam; Robert, Ruth and Fred Kruse; Evelyn Precq and Joan Awbrey.

Funeral services were held Wednesday at 11 a.m. at the First Congregational Church under auspices of Layng & Tinney Funeral Home, Redwood City. Interment followed at Alta Mesa Memorial Park.

Peggy Brokaw to Wed Charles H. Crocker

Peggy Brokaw, pretty daughter of Mr. and Mrs. Howard Crosby Brokaw of Fifth avenue, New York City, will wed Charles H. Crocker, San Francisco, some time next month. Her name has been linked with Crocker's on several occasions, particularly since his wife, the former Virginia Bennett, obtained a divorce in Reno.

Crocker is one of four principal heirs of the estates left by his parents, the late William H. and Ethel Crocker.

Friends Pay Tribute To Augustus Johnson

A host of prominent San Franciscans and peninsulans paid their last tribute Monday to Augustus Sooy Johnson, Burlingame resident and president of an East Bay manufacturing firm, who died Friday in San Mateo.

Rev. Ezra Allen Van Nuys, pastor of the Calvary Presbyterian Church, San Francisco, conducted services Monday afternoon at the church, assisted by Dr. Francis W. Russell, executive secretary of the Mount Hermon Association, Presbyterian group of which Mr. Johnson was a member.

Osborne Cleared In Goudy Accident

A coroner's jury at San Mateo Tuesday cleared William Osborne, Redwood City, and Harry Arnold, San Mateo, of negligent driving in the accident December 19 which killed Phillippe Goudy as he left a Lafayette Club banquet.

Cars driven by Osborne and Arnold hit Goudy, who died of his injuries. His wife was seriously hurt.

Countess Dies In Menlo Park

Countess Katherine de Saint Seine, widow of the late Count Henri de Saint Seine, died Christmas Day at the Needham Rest Home near Menlo Park.

Mass for the repose of her soul will be said Friday at 9:30 a.m. at Old St. Mary's Catholic Church in San Francisco.

The former Katherine Bussey, the countess was born in Grass Valley. She married Count de Saint Seine at Old St. Mary's in 1903, when he was acting as a bank interpreter in San Francisco. Later the couple returned to make their home in Dijon at the count's villa.

The count was killed in the World War and since that time the countess had made several trips back and forth between France and California. She returned to San Francisco two years ago, taking an apartment on Sacramento street.

Her remains will be sent to France for burial beside those of the count.

Christmas Present Brings Joy, Grief

One of her Christmas gifts today had brought a lot of grief to Priscilla Phillips, 9-year-old daughter of Mrs. Cleo Phillips of 23 Hillview avenue.

Little Priscilla received a new set of skates as one of her holiday gifts. Anxious to try them out, she sped to the street, put them on.

She fell. Her mother, running to her aid, found Priscilla with a broken ankle.

Man Overcome Here by Gas

A dramatic rescue late Tuesday afternoon by his fellow worker from a gas-filled water pipe apparently had saved the life of James Maley, 55, D street, San Mateo.

He and Jerry Sheehy, about 30, San Francisco, both workers for the San Francisco Water Company now repairing mains in Redwood City along El Camino Real, were far down in the empty main locating leaks.

Suddenly Maley was overcome by gas and foul air. He struggled to get out, but fainted while Sheehy dragged him to an opening.

Walter Yount, Millbrae, foreman of the gang of five men conducting the work at the Lincoln avenue intersection, telephoned for an ambulance. The pair were rushed to Palo Alto Hospital, where authorities said both would recover.

Oats is the principal crop raised in Scotland. Barley comes second.

Modern fabrics often contain as many as five or six different fibers.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

BELMONT ASKS WPA FUNDS FOR PROJECT; BANS SIGNS

BELMONT, Dec. 28—The city council last night rejected the application of Foster & Kleiser to erect a signboard at El Camino Real and Middle road, and instructed City Attorney Albert Mansfield to prepare an ordinance regulating all signs and billboards.

The council also announced its intention of passing an auto trailer ordinance similar to those adopted by Redwood City and San Carlos.

The council accepted the rough sketch by City Engineer Charles Morser showing a proposed culvert over Belmont creek at Sixth avenue and running along the creek easterly for a distance of 350 feet. The engineer was authorized to make formal application to the W.P.A. The project will cost approximately $8000.

The letter of J. P. Duffy asking for a renewal of his license for the operation of the former Nerve Rest Sanitarium was laid over until the January meeting.

Louis Chess, representing San Mateo County American Legion, District No. 26, was given permission to use the Belle Monti Country Club on February 12 for a benefit dance and fiesta to raise funds to send their Drum Corps and Drill Team to the convention at Los Angeles; R. Hawks was also granted permission to use the American Legion Hall on Ralston boulevard for a dance New Year's Eve.

Fred Danforth, representing the Belle Monti Improvement Association, ciation, asked the council to consider a 15-foot set-back instead of the previous 25-foot one now prevailing on Ridge road.

Forest control dates back to colonial times when the British crown reserved trees in this country for use by the royal navy.

A special session of the New York legislature in 1936 lasted only three hours.

Hundreds Attend Sharkey Funeral Rites at Church

Friends of Mr. and Mrs. Miles A. Sharkey, Redwood City, victims of a fatal Salinas automobile accident early Friday, crowded Mt. Carmal Catholic Church Monday for requiem mass at which Rev. Father J. P. Cavanagh officiated. Interment was at Holy Cross Cemetery, Colma. Funeral arrangements were under direction of Layng & Tinney.

Mr. Sharkey, 60, and Mrs. Sharkey, 58, were killed as result of a crash which occurred when a rear tire on their machine blew out, causing it to collide headon with a truck. Mrs. Sharkey was killed outright, but Mr. Sharkey died an hour after the accident from head and internal injuries. Both were on their way to Los Angeles to spend Christmas with their son, Miles Jr. Two other sons, Newell and Philip, also survive.

William John Formway, 17, the third victim of the accident was laid at rest Tuesday. He was driving the light delivery truck to his Los Altos home at the time of the crash. With him was his father, W. E. Formway, who was hurt critically.

Plant Reopening Set Provisionally Jan. 3

Two hundred employes of the Pacific Portland Cement Company today looked forward to the reopening of the big Redwood City industry on January 3. The plant closed Saturday. While the reopening date is not definite, an early resumption of production is anticipated by Superintendent H. E. Lang.

Two Counties Condemn Hay

The arm of the state department of agriculture and that of the county agricultural commissioner's office is long. According to Commissioner Max J. Leonard a carload of timothy hay infested with Canada thistle, which was rejected by the San Mateo County Department of Agriculture recently and which had been reshipped to Los Angeles county by the dealer in Ellensburg, Wash., without permission of Leonard's office, was seized and held in quarantine by the commissioner of Los Angeles county on report from Leonard's office that the shipper had so moved the car. The local receiver of the hay, a dealer in Menlo Park, had fully co-operated with the commissioner's office in holding the hay here and was unaware of the reshipment order by the Washington firm, Leonard explained.

"Our local merchants fully cooperate in all matters of this nature," Leonard states, "because they are just as anxious to deliver clean and first grade stock to their customers in the county as the commissioner's office is to see that it reaches them in good shape."

This car is being re-routed back to San Francisco by boat where it will be consumed directly in that county under the supervision of the San Francisco commissioner's office. This violation of the Washington shipper has cost him the extra freightage from Menlo Park to El Monte, Los Angeles county, and back to San Francisco, Leonard said.

Three Dogs Held For Observation

Three more San Mateo county dogs, two in Belmont and one in Emerald Lake, were under observation for rabies today, after they were reported as having bitten three persons, County Health Director Charles C. Gans disclosed.

Denny T. McGuire, 40, telephone company employe, was the Emerald Lake victim. A dog belonging to L. Gereghty, nipped McGuire on the left elbow. Roy Arnold, 6, and Mrs. J. R. Loomis were the Belmont victims. Both were bitten on the left leg. Although there has been no indication that any of the animals has rabies, all dogs have been ordered locked up as a preventative measure, Gans said.

A line of English rajahs has ruled the independent nation of Sarawak, on the coast of Borneo.

McNutt to Call 1938 Grand Jury Panel Wednesday

Superior Judge Maxwell McNutt vill impanel and swear in the San Mateo County Grand Jury for 1938 Wednesday at 10 a.m., Carl E. Peterson, chief deputy county clerk, said Monday. Cards were being mailed to the 30 citizens who comprise the panel drawn two weeks ago to notify them of the change in plans.

A decision to observe fully civil code requirements caused the date for impaneling, last set for January 5, to be re-set, Peterson explained. Superior Judge A. R. Cotton will charge the jury when he returns from Mills Hospital, where he has been ill for the past several weeks, Peterson said.

The panel includes many prominent civic leaders and business men from all parts of the county.

Word from the hospital indicated that Judge Cotton's condition grows "progressively better," and he may be expected to return to the bench within two or three weeks.

East Palo Alto Dog Under Observation

A dog belonging to E. Millendez, Bay road, East Palo Alto, today was under investigation by county health authorities. It bit Jack Auten, Menlo Oaks drive, Sunday afternoon when the boy was riding by on a bicycle, the office of Dr. Charles C. Gans, director, reported. The animal was a white fox terrier.

Naval School Graduates 3

Graduation ceremonies for the first three students to complete instruction in the naval school conducted here by Capt. Leslie F. Bosshardt were held at the Redwood City Yacht Club Tuesday evening.

Graduating from the course, and already assured of jobs in the American merchant marine, are James Bonner and Gilbert De Haven, both of Redwood City, and Edward Dwyer of Peoria, Ill.

On January 5 or 6 the trio will go to Richmond to join the S.T.D. Dodd, Standard Oil tanker, on a trip to New York. Later they will be transferred to the Honolulu run.

Both Bonner and De Haven will join the 7500-ton, 75,000 barrel capacity tanker as seamen. Dwyer will join the engineer's crew.

The school from which the three men were graduated Tuesday has been conducted here for the last two and one-half months by Captain Bosshardt. A second class will be graduated in about three months. Joseph Elkins has been promoted to the position of cadet mate, formerly held by Bonner.

W. F. Cody (Buffalo Bill) is buried in a grave blasted from solid rock on Lookout mountain, near Denver.

Firemen Save Four From Gas Poisoning

BURLINGAME, Dec. 28—A Burlingame family was recovering today from the minor ill effects of carbon monoxide poisoning which caused them to send for firemen last night in an attempt to trace source of the gas.

The call, received by firemen and police, shortly after 11 p.m., was from Mrs. George Fletcher, who said she, her husband and two small sons were nearly overcome with noxious fumes.

Firemen believed the gas fumes had collected in a recently repaired furnace.

Consumption of limestone for soil improvement use has increased from 120,000 tons in 1933 to an estimated million tons this year.

Attorneys Act In Purchasing Agent Contest

One Chair, One Desk, One Telephone In Office

Stanley Kelly entered his purchasing agent office behind the main courthouse building Tuesday morning to find that all his furniture, business equipment and files, aside from one desk, one chair and one telephone, had been removed during the night.

Included in the equipment, most of which was transferred to County Executive Ernest A. Rolison's [illegible] office located on the upper floor [illegible] the west wing of the courthouse, were two book cases, three [illegible] and one electric clock, which Kelly claimed were his own personal belongings.

"But I'm still purchasing agent," Kelly declared, pointing to a desk crowded with orders, letters addressed to his office and claims.

His secretaries, Elinor Tobin, chief deputy, and Genevieve Ward, both of Burlingame, were also moved to Rolison's quarters, where they installed as the latter

FULL STATEMENT

Atty. John E. Mar- U. S. Nirm of Bullock & POL enting Kelly, served lison that he would MERCH n Kelly's personal PO issued a statement PIPPIN the intricate county AF arose with passage nce by the county THIN rvisors November 23 ORA offices of county purchasing agent, thus depriving Kelly of the job he has held for several years.

In a prepared statement, Rolison announced that it was under his personal orders that he transferred Kelly's office to his.

PERSONALLY RESPONSIBLE

Rolison declared, in part: "Being personally responsible for this vast expenditure of public money, it has become necessary that the work of the purchasing department be under my direct supervision.

"In order that this may be accomplished, I have just caused both the personnel and equipment of the purchasing department to be moved to my office.

"This has been done in order that these two departments may properly function on a consolidated business in accordance with the new purchasing procedure."

But Kelly continued to maintain his position, despite the ordinance which took effect last Friday.

"I don't believe it is legal to pay merchants with only Rolison's signature on the claims," Kelly asserted.

"I have talked the whole thing over with Manders, and he told me to attend to my duties as usual."

MANDERS DECLARES WAR

Manders was equally rigid in his stand.

"They remind me of the Japanese," he declared, referring to Rolison and the supervisors, "Nothing but apologies. They won't do anything in the open."

Asst. Dist. Atty. Daniel E. Sullivan, questioned concerning the legality of Rolison's move in taking over the office and transferring them to his quarters maintained that the county charter gives the executive "full right to do anything in assigning rooms and space."

"The county executive is the administrator of all county property, and has a perfect right to do with it what he wishes," he added.

Sullivan also denied that claims or orders without Kelly's signature were illegal.

'COUNTY WILL NOT PAY'

"Anyone who acts with Kelly is acting at their own risk. They will find that the claims will not be paid."

He pointed out that since the purchasing agent is a board-created job, and not provided for specifically in the charter, the board has a perfect right to abolish it.

Still seated in his deserted office, which was bare save for the one desk and chair, Kelly continued to sign orders and claims.

"I've ordered the food for the jail as usual," he said. "The requisition was sent over here by the jailer.

He said he opened bids this morning for 800 gallons of bitumuls, material to be used on the Pescadero Creek road, and awarded the contract to a Redwood City firm for $63.86.

Kelly further showed bids he had received for purchase of groceries at the county relief home.

NO ADDING MACHINE

"Of course, since I haven't an adding machine," Kelly smiled, "I'm a little bit slow at computing figures, so I can't estimate my total business right now."

The county equipment transferred to Rolison's office included a dozen files, two desks, two typewriters, the adding machine, a table and a number of chairs.

The change was made at 5 o'clock Monday just after Kelly left his office for the day. Rolison said.

Tear Gas Bomb Repels Attack By 50 Pickets

Hope of Strike Peace Fades As Violence Flares

Riot broke out Tuesday at the strike-bound plant of the Golden State Mushroom Company just south of Redwood City, resulting in the jailing of seven pickets, two of them women.

One tear-gas shell was fired into the 50 strikers as threats were made against one of Sheriff James J. McGrath's deputies, called to escort two truckloads of mushrooms from the strike zone.

No one was hurt, although an unidentified woman picket, who climbed aboard one of the trucks as it drove from the plant onto Second street, fell and narrowly escaped serious injury.

PICKETS SWARM TRUCK

The riot occurred shortly after 11 o'clock when Sheriff McGrath and Deputies Louis F. Lodi, Adolph Waldeck, Hugh Williams, Thomas Maloney and F. B. ("Jack") Grill were called by Stuart Savery, plant manager. Savery was acquitted of reckless driving after his car ran down a picket several weeks ago.

Savery and Eddie Deskins, plant foreman, told Sheriff McGrath they wanted protection in order to drive out the two loads of mushrooms for delivery at the company's plant in Soquel.

As the two trucks, one a light panel delivery and the other of open-type, left the property, the pickets swarmed onto the trucks, and started to throw the mushrooms, contained in crates, from the machines.

SEVEN JAILED

Savery and Deskins continued driving, while several of the pickets climbed aboard. Most of these were arrested by the sheriff and his men who were at the scene in three automobiles.

The jailed pickets were Madeline Caballo, 23, housewife; Louise Espanza, 19, housewife; and Augusto Romera, 22; Robert Jaurigui, 21; Paul de Groat, 18; Quali Espanza, 21, and Hans Fink, 28, all laborers at the plant. Fink was among the organizers of the CIO union which first struck December 4 and has been out ever since to demand "higher wages, shorter hours and better working conditions."

Sheriff McGrath said it would be up to the district attorney's office to prefer charges. The men and women were being held for investigation, but probably will be accused of destroying property.

TRUCKS GET CONVOY

Although some of the strikers got into their automobiles to pursue the trucks for a distance, safe delivery across the county line was made down Middlefield road to Palo Alto, where a police escort from that city and later an escort from Sheriff George W. Lyle of Santa Clara county joined them.

McGrath estimated that 25 per cent of the mushrooms had been hurled from the trucks before the strikers could be stopped.

None of the men resisted arrest, the sheriff said, nor attempted to battle his deputies, but angry threats against Savery and Dskins were rife throughout the mob.

Negotiations between C. W. Savery, president of the mushroom firm who maintains head offices in Denver, and the local Mushroom Workers' Union were progressing until today's incident, although Savery, father of Stuart Savery, has declared he intended to close the plant permanently.

However, a committee of city councilmen of Redwood City headed by Evans A. Fletcher reported Saturday that it expected to be able to bring both sides together in an agreement that would bring extensive compromises from each faction.

Activity on the picket scene has remained peaceful throughout the strike, save for the incident December 6 when Stuart Savery's private machine, containing two cases of mushrooms, struck Evaristo Macias, picket, and slightly injured him. Savery sought protection from the sheriff's office at that time.

Stanley Hancock, CIO organizer, said he would send an attorney in Redwood City to defend the arrested pickets.

Atherton Building Permits on Decline

Building in Atherton during 1937 showed an $80,000 decline from the $465,842 level established the previous year, according to permits issued by the building department. The year's total was $384,529, of which approximately $46,500 in permits were issued in December.
